

Business Buddies

Will you spare just **£50** per month?

The Food Bank is currently seeking to form partnerships with local businesses in Milton Keynes and the surrounding villages who would like to make a *real* difference in their local community.

Your monthly donation would be used to cover the core costs associated with our current service and enable us to embark on an essential expansion programme to better meet the need in our city.

The expansion will see the start-up of a Mobile Food Bank and a delivery service for the elderly, disabled and housebound.

Your logo could also appear on our Mercedes Sprinter van which is used regularly around MK and the surrounding villages.

To donate on line - please visit:

Or to set up a standing order PTO!
